Kenton and Ada are the Economic Hub of Greater Hardin County. The area continues steady economic growth with a diverse economy led by world-class agricultural, educational, industrial and healthcare sectors. Cultural institutions and activities contribute to a quality of life envied throughout Ohio.

Dominant media influence is derived from nearby Lima, Columbus and Toledo. Hardin county is located within the Columbus DMA (Nielsen Designated Market Area). Therefore, local television, radio and print media tend to be overshadowed and fragmented by dominant media outlets from outside Hardin county. Additionally, close proximity to Findlay, Lima, Marion, Columbus and Toledo provides additional market choices while adding to an already splintered media landscape.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Kenton/Ada market area. Lind billboards deliver all of Hardin County for a fraction of the cost of other media.
