

Mt. Vernon & Knox County!

Lind Delivers ~~Traffic!~~

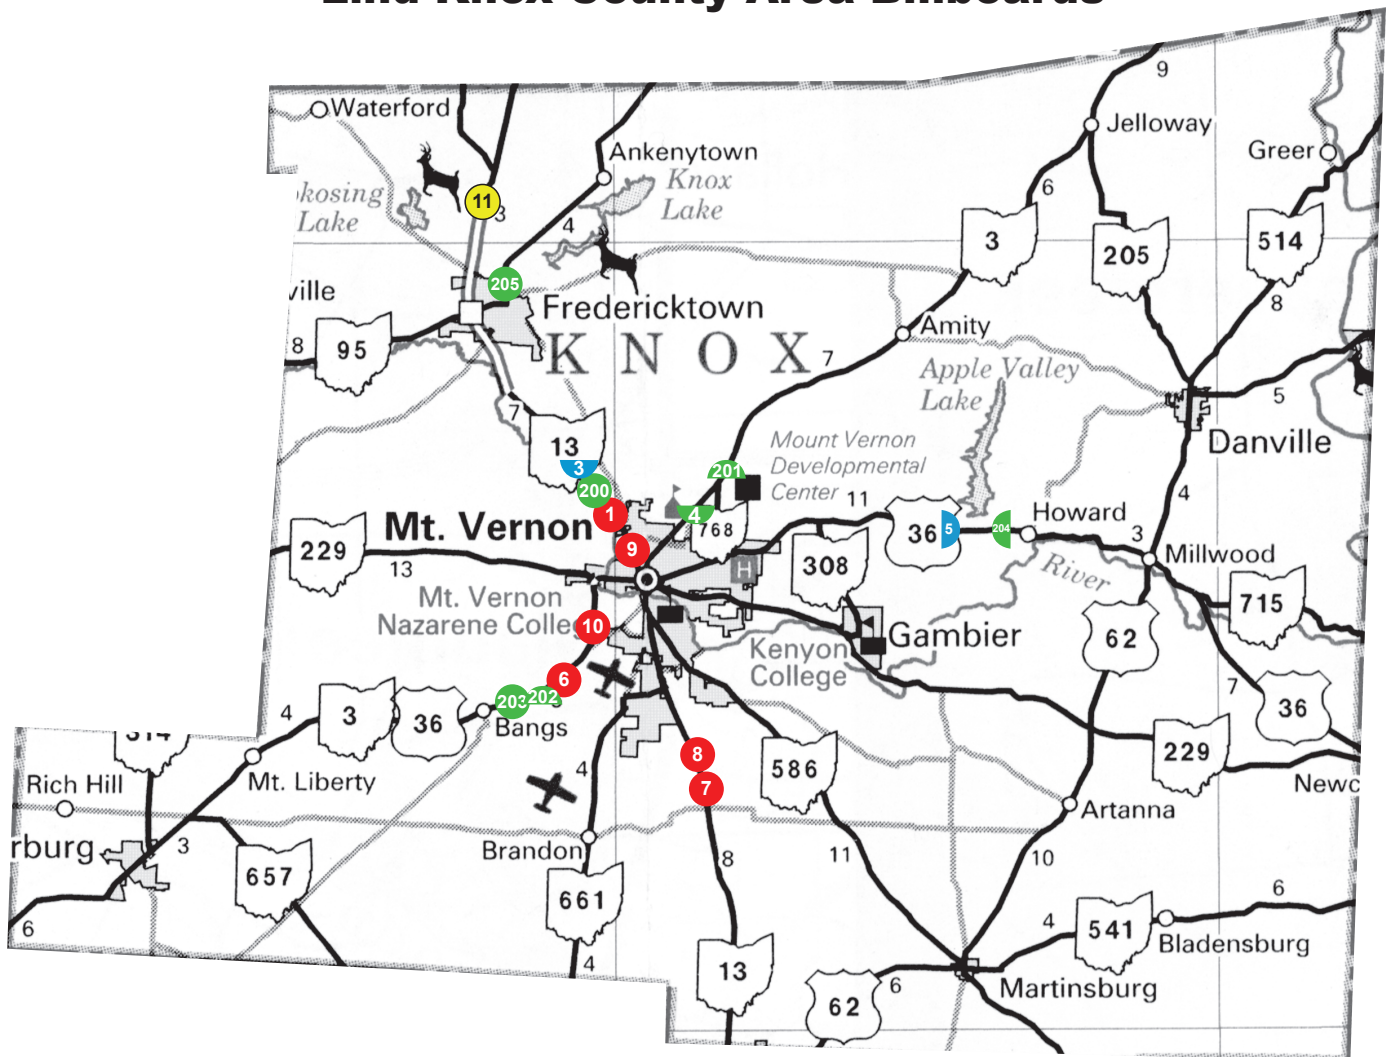

Mount Vernon is the Economic Hub of Greater Knox County. The area continues steady population and economic growth. Greater Mount Vernon enjoys a diverse economy led by world-class corporate, industrial, healthcare, tourism and educational sectors. Cultural institutions and activities contribute to a quality of life envied throughout Ohio.

Dominant media influence is derived from nearby Columbus. Knox county is located within the Columbus DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Columbus media outlets. Additionally, close proximity to Columbus, Mansfield, and Cleveland adds to an already splintered media landscape.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Knox County market area. Lind billboards deliver all of Knox County for a fraction of the cost of other media.

Northern Ohio Billboard Coverage

Why Choose Billboards?

- Billboard advertising reaches more people per day than any other medium.
- Billboards target consumers when they are out of their homes and most likely to make purchases and buying decisions.
- Outdoor delivers much more exposure for much less than any other medium.
- It is a low cost, low risk, high reward investment.
