

Tiffin & Seneca County!

Lind Delivers ~~Traffic!~~

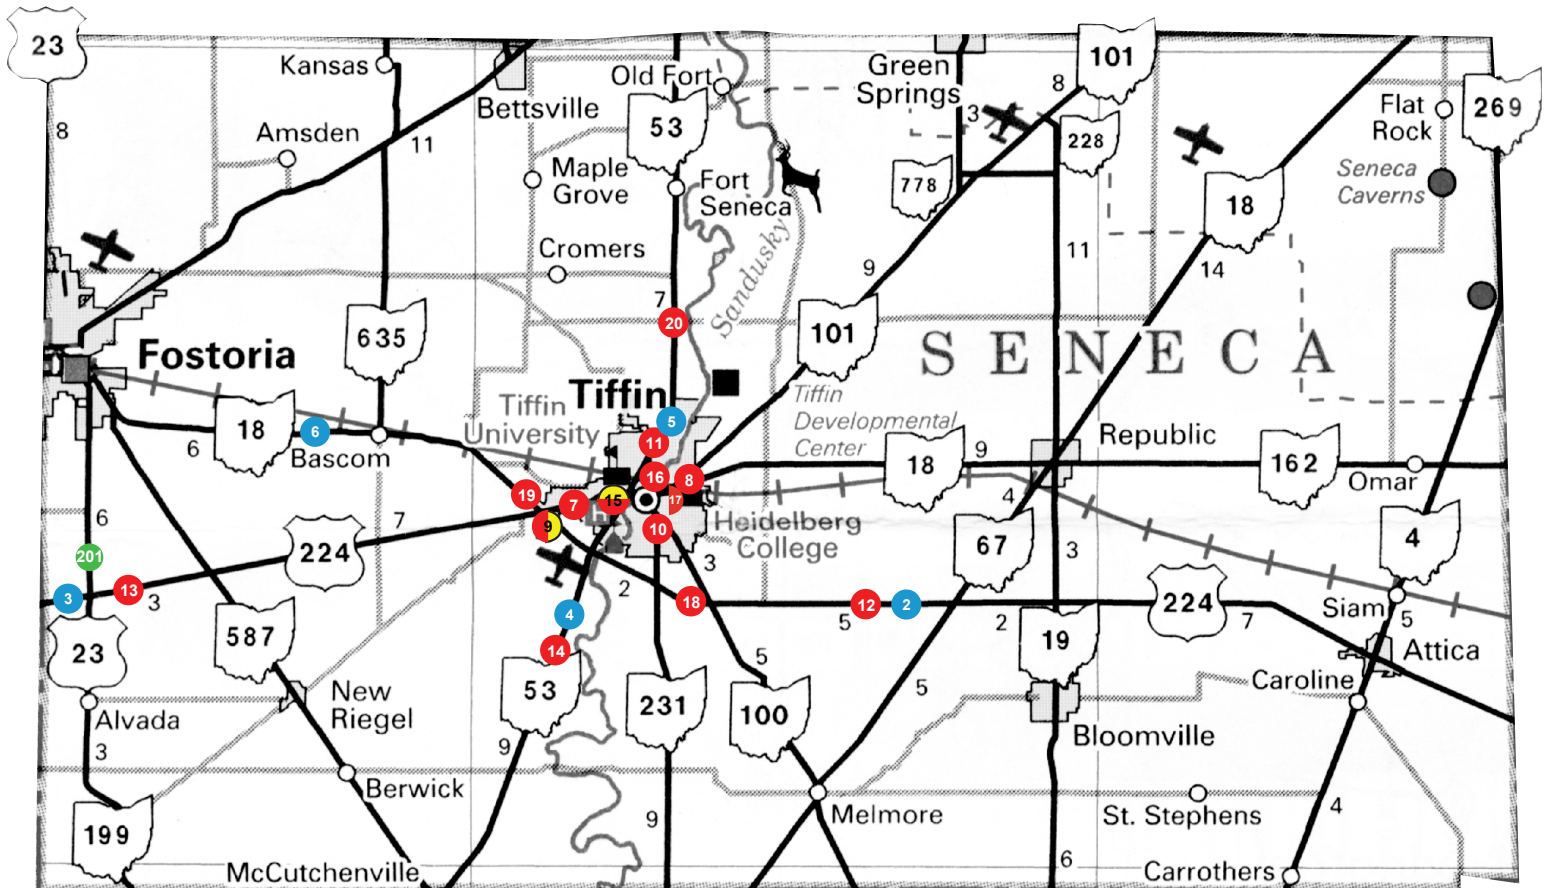

Tiffin is the hub of the Seneca County market area that includes portions of 6 additional counties. The Tiffin area enjoys a diverse economy led by strong and varied corporate, industrial, healthcare, and agricultural sectors. As the home to two respected colleges, Heidelberg and Tiffin University, the area enjoys an uncommon cultural and economic diversity. Easy access to Toledo and the Central Lake Erie Coast expand market and economic choices available to Seneca Countians. Scenic beauty and abundant recreational activities contribute to an exceptional quality of life.

Dominant media influence is derived from nearby Toledo as well as Cleveland. Seneca County is located within the Toledo DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Toledo and other regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Tiffin market area. Lind billboards deliver all of Seneca County for a fraction of the cost of other media outlets.
