

Millersburg & Holmes County! **Lind Delivers ~~Traffic!~~**

Millersburg is the Economic Center of Holmes County and a market area that includes portions of 6 different counties. Along with the rest of Northern Ohio, the Millersburg area continues to experience steady growth. The Millersburg area enjoys a diverse economy led by strong and varied corporate, industrial, healthcare, and educational sectors. Cultural institution and activities contribute to an exceptional quality of life.

Dominant media influence is derived from nearby Cleveland. Holmes is located within the Cleveland DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Cleveland and regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Holmes County market area. Lind billboards deliver all of Holmes County for a fraction of the cost of other media outlets.
