

Wooster & Wayne County! **Lind Delivers ~~Traffic!~~**

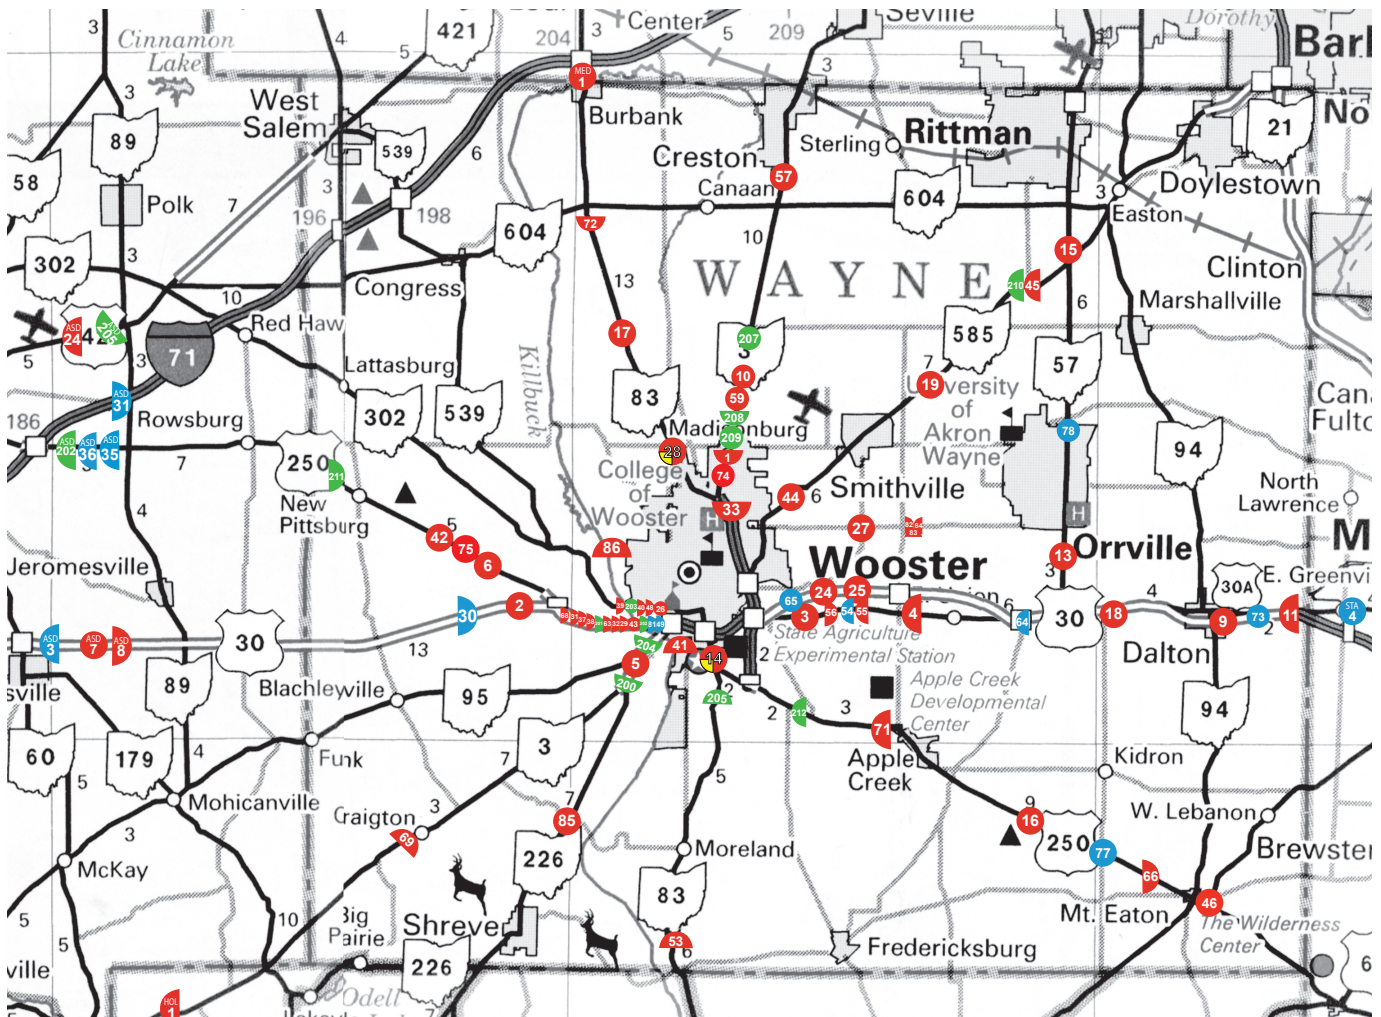

Wooster is the Economic Hub of Greater Wayne County. The region continues steady population and economic growth. The Wooster area enjoys a diverse economy led by world-class corporate, industrial, healthcare, tourism and educational sectors. Cultural institutions and activities contribute to a quality of life envied throughout Ohio.

Dominant media influence is derived from nearby Cleveland, Akron, and Canton. Wooster is centrally located within the Cleveland DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Cleveland/Akron and regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Wooster/Wayne County market area. Lind billboards deliver all of Wayne County for a fraction of the cost of other media outlets.
