# **Lind Delivers ~~Traffic!~~**

Milford and Batavia serve as the primary markets in the Clermont County market area that includes portions of 5 additional counties. The Clermont County area enjoys a diverse economy led by strong and varied corporate, industrial, healthcare, and agricultural sectors. Easy access to Cincinnati and Northern Kentucky contributes to the diverse economy and market choices available to Clermont County residents. Leisure and recreational activities contribute to an exceptional quality of life.

Dominant media influence is derived from nearby Cincinnati as well as Northern Kentucky. Clermont County is located within the Cincinnati DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Cincinnati and other regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Clermont County market area. Lind billboards deliver all of Clermont County for a fraction of the cost of other media outlets.
