

Lind Delivers ~~Traffic!~~ **Greater Marion!**

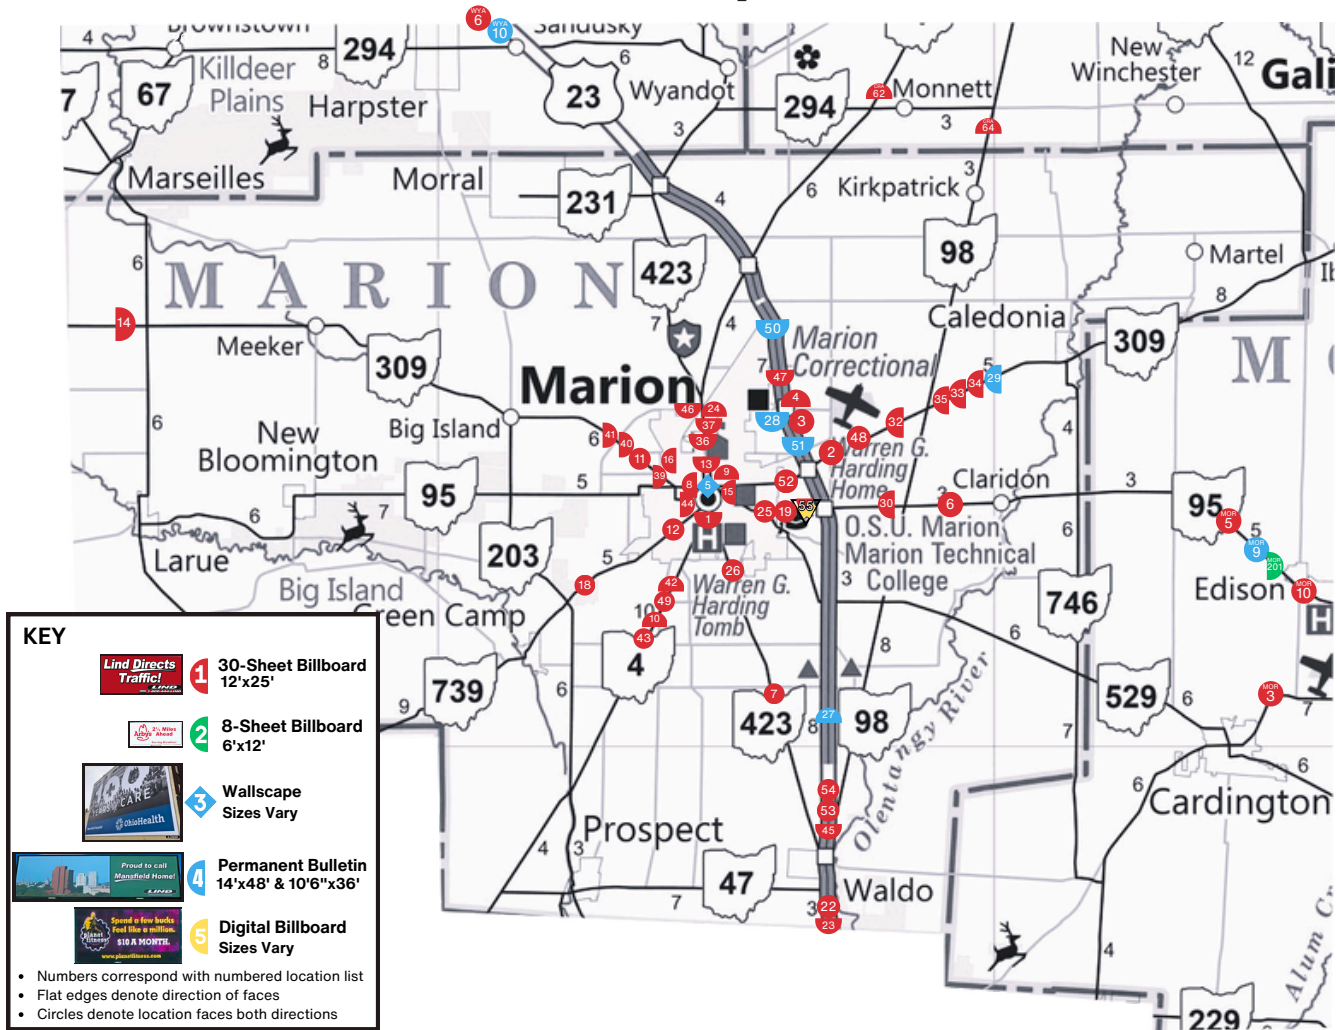

Marion is the Economic Center of Marion County and a market area that includes portions of 6 additional counties. Along with the rest of Central Ohio, the Marion area continues to experience steady growth. The Marion area enjoys a diverse economy led by strong and varied corporate, industrial, healthcare, and educational sectors. Easy access to Columbus contributes to the diverse economy and market choices available to Marionites. Cultural institutions and activities contribute to an exceptional quality of life.

Dominant media influence is derived from nearby Columbus. Marion is located within the Columbus DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Columbus and regional media outlets.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Marion County market area. Lind billboards deliver all of Marion County for a fraction of the cost of other media outlets.
