Lind Delivers ~~Traffic!~~

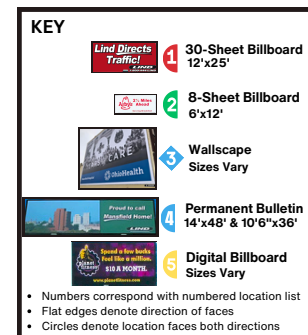

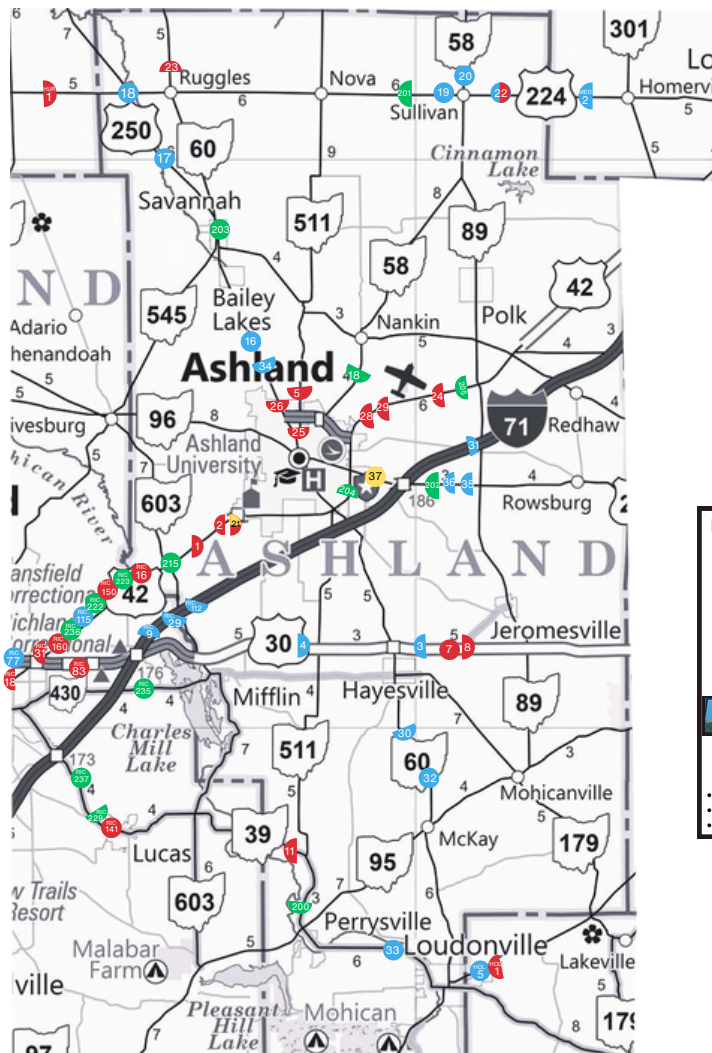

Ashland is the Economic Hub of Greater Ashland County. The Ashland area continues steady economic growth. Ashland County enjoys a diverse economy led by world-class corporate, industrial, healthcare, tourism and educational sectors. Cultural institutions and activities contribute to a quality of life envied throughout Ohio.

Dominant media influence is derived from nearby Cleveland, Columbus, and Mansfield. Ashland is located within the Cleveland DMA (Nielsen Designated Market Area.) Therefore, local television, radio, and print media tend to be overshadowed and fragmented by dominant Cleveland media outlets. Additionally, close proximity to Columbus, Mansfield, and Akron adds to an already splintered media landscape.

The fragmentation and dilution of other media coupled with significant and steady increases in traffic on roadways has cemented Lind Outdoor as the dominant mass medium in the Ashland County market area. Lind billboards deliver all of Ashland County for a fraction of the cost of other media outlets.
